Dear Ms. Morsey:

Thank you for moderating the panel discussion with First Lady of Louisiana Donna Edwards and First Lady of Georgia Marty Kemp at the U.S Chamber event on July 17.

During your fireside chat, attendees enjoyed hearing how the first ladies are both advisory board members of the National Coalition for the Prevention of Human Sex Trafficking and have pledged to leverage their leadership platforms to elevate this cause.

They also learned how Counter Forced Labor Technologies uses data and analytics to understand how forced labor and sex trafficking intersect.

The U.S. Chamber is grateful for your organization's sponsorship of the event and looks forward to continuing our partnership.

Sincerely,

Michael Billet
